DoD Warning Banner

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG- authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

DEFENSE HEALTH AGENCY
DEPARTMENT OF DEFENSE

Welcome to CTIP-JA-US019

This specialized training is for Judge Advocates in the U.S. Air Force, Army, Marine Corps, and Navy, including those responsible for administrative law, government contracting, civilian and military personnel law, the law of war and international relations, as well as those serving as prosecutors for the military when conducting courts-martial. Judge advocates, General Counsels, and other legal professionals in the DoD play a key role in advising commanders and leadership on the threats of human trafficking and the ways to combat it.

- › Start - To begin the course, click the Start button in the header bar. Some courses may require a subsequent click of the Next Lesson button in order to begin.
- › Resume - If you are re-entering the course, click the Resume button to access your previous location in the course.
- › Navigation - Navigation controls are generally located in the following areas:
 - Top header bar - Contains the Previous Lesson, Next Lesson, Suspend Lesson, Help, and Exit Course buttons. (Some courses may not have all of these items available on the top header bar.)
 - Table of Contents Tree - Contains a listing of all lessons and exams.
 - Content area - Contains the Next (or Continue) and Previous (or Back) buttons.
 - Icons (Arrows) are sometimes available to navigate within a course.
- › Header Bar - Use the Next Lesson button to access the next required lesson (when available).
- › Pages - Use the Next (or Continue) button in the content area to access each page in the lesson.
- › Outline - Use the links in the Table of Contents Tree to access an item that is active.
 - In-Progress lessons and tests are indicated by half-colored circles, while full completion of lesson and tests are indicated by a green checkmark.
 - Access to some of the completed items, such as tests, might be disabled after completion of the item.
 - After the completion of the course (graduation), the course content is accessible to you at anytime.
 - Click the Expand/Collapse Tree links to change the view of the Table of Contents Tree.
- › Suspend - Use the Suspend Lesson button to bookmark your current progress in the course.
- › Exit - Use the Exit Course button to bookmark your current location and to close the course window.
- › Lesson Exit - Use the Exit button (when available) on the content menu bar, followed by the Next Lesson button on the header bar to achieve chapter or lesson completion in certain courses. All chapters, modules and lessons must be completed to receive certification.

Upon course completion, follow the prompts to generate your certificate.
