On behalf of the United States Army Forces Command (FORSCOM) Commanding General, GEN Andrew Poppas, and CSM T.J. Holland, we extend a warm welcome to you as we gather for the 2024 FORSCOM Division Command Chaplain Section Training at Fort Liberty, NC.

Congratulations on your selection to serve as a Division Chaplain or Division Master Religious Affairs NCO! This year's training theme is "Preparing Division Religious Leaders to Win in LSCO." As the US Army develops readiness in conditions of competition, crisis, conflict, and change with the Division as the Army's principal warfighting formation, competent and capable religious leaders are vital in preparing UMTs to care, nurture, and honor in Multi-Domain Operations.

Senior leaders like you are essential to ensuring that our UMTs are combat-ready, trained, and prepared for the current and future fight. We recognize that you are stepping into a leadership position of significant influence in the Chaplain Corps and the Army. Our desire is to prepare you as you step into this vital leadership role.

We look forward to the discussions, insights, and collaboration that will mark our time these next two days. Thank you for taking time out of your schedules and away from your families to join us this year. May God continue to give abundant grace and mercy as you prepare your UMTs to be God's instruments of care and hope in these uncertain times.
