U.S. ARMY

JAG Corps Mission: to provide principled counsel and premier legal services, as committed members and caring leaders in the legal and Army professions, in support of a ready, globally responsive, and regionally engaged Army.

Principled Counsel: Professional advice on law and policy grounded in the Army Ethic and enduring respect for the Rule of Law, effectively communicated with appropriate candor and moral courage, that influences informed decisions.

Mastery of the Law: In-depth knowledge, competence and skill in our practice areas. Mastery forms through experience, training, and intensive, lifelong learning and professional development. It ensures the provision of clear, timely, and accurate legal advice and counsel necessary for our client to meet present challenges, preserve legal maneuver space, and set the conditions for future victory.

Stewardship: Leaders act to improve the organization beyond their own tenure. Improving the organization for the long-term is deciding and taking action to manage people or resources when the benefits may not occur during a leader's tour of duty with an organization.

Servant Leadership: Leaders demonstrate servant leadership when they put those they lead before themselves. A leader does this by providing purpose, direction, and motivation; they devote and commit themselves to the well-being and growth of those they serve.
