

Notice Regarding the Comptrollers Accreditation & Fiscal Law Course

Due to a broad systems outage, JAG University (JAGU) and the Comptrollers Accreditation & Fiscal Law Course are currently unavailable.

Summary: In late Dec 2021, ARCYBER shut down many Army systems for vulnerability checks. This includes the Army's ELLC Blackboard systems, to include JAGU. The issue relates to a vulnerability concern that impacted not only the Army and DOD, but also non-government systems. The hope is that Army ELLC systems and JAGU will be resolved in the coming weeks, but there is a chance that the issue will continue into February/March.

Check back weekly on JAGU at <https://jagu.army.mil> to see if the site is back up.

We apologize for the inconvenience, and thank you for your patience!!
