

## Setup of SVC Game on Child's Mobile Device

You will create a shortcut on the home screen of the child's device.

*For best performance, use Google Chrome for Android/iOS.*

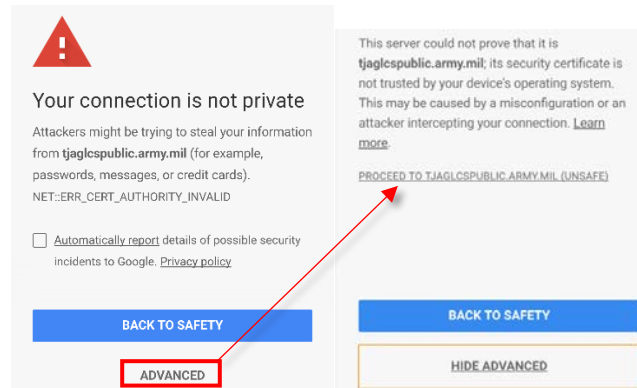

1) On child's device, go to:

a. <https://train.gordon.army.mil/svc/>

b. or scan the QR code

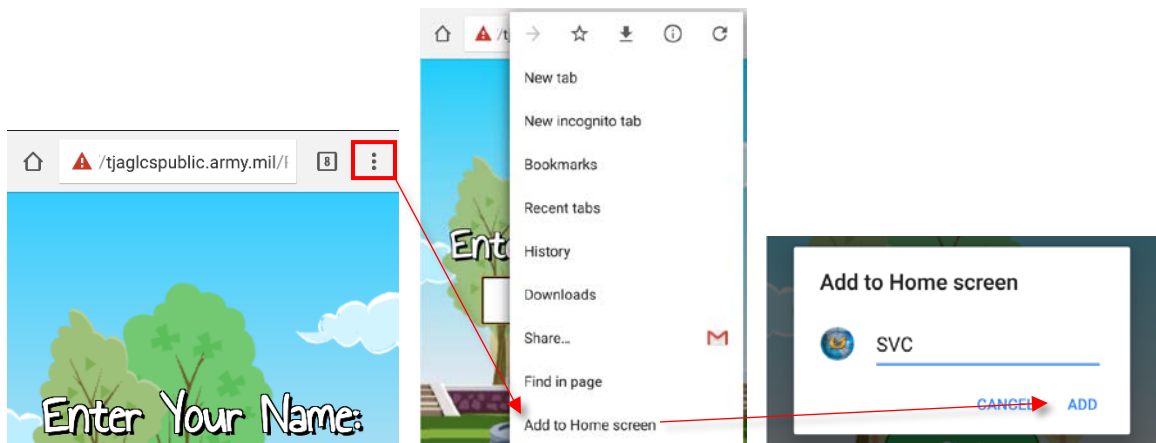

2) You may see a security window similar to the one below. Allow the device to access the URL. For example, the below screen shots are from Google Chrome.

3) Add shortcut to device home screen. See below visual instructions for iOS and Android.

**Android**

**iOS**
